Experience It! Pula Arena

The Pula Arena, one of the largest and best-preserved Roman amphitheaters, is one of Croatia's most popular attractions. It's the only ancient Roman arena with its circular wall still intact. Imagine being in this enormous limestone structure 2,000 years ago, when it was the site of gladiatorial combats, tournaments, public games, and fairs! It once held nearly 23,000 patrons in three tiers of seats, and its four towers (still standing today) featured cisterns of perfumed water that could be sprinkled over the crowd. It even had huge awnings that could shield audiences from sun or rain. Today, the arena has a capacity of about 7,000 and hosts operas, ballets, concerts, sports events, and an annual film festival.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

The Plitvice Lakes visit requires you to climb more than 100 steps. The route you will be taking involves a minimum of two hours of walking with the length about 1.8 miles without the assistance of handrails.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The order of scheduled activities may vary in time due to the internal flight schedule.

The exact hotel to be used while in Opatija will be available 15 days prior to the tour departure date.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

*Travel time between Zagreb and Opatija is approximately 2 hours.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Based on return flight options, an early morning departure from the hotel may be required on the last day.

Air passengers will arrive into and depart from Zagreb airport.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 3:00 p.m.
