Moselle Valley & Cochem Castle visit *from Koblenz, Germany*

Take a walking tour of the town including a guided visit of the magnificent Cochem Castle, boasting impressive views of the Moselle Valley. A long history precedes what we see of the Castle today. The original 12th-century Romanesque style and condition was replaced by King Louis XIV, who ordered his troops to destroy it in 1689. Rebuilt in 1868, he chose the neo-Gothic architecture that we know today, as his family's summer residence.
