

National Parks Small Group 10-Night Tour 2018

September 4th (Tuesday) – September 14th (Friday)

Summary: 2 nights in Nevada, 4 nights Utah, and 4 nights Arizona

Everyone will need to have a National Parks Pass, and we will capitalize on seeing the National Parks and Monuments of the vicinity. We will offer destinations to go see every day, but it is your choice how much you want to participate in.

Depart Hartsfield International Airport in Atlanta arriving in Las Vegas (best flights and van availability). It is possible we can arrange for airport transport from your homes, but that is not figured in at this point. [Airfare included in price]

In Las Vegas, we will obtain our deluxe Mercedes Sprinter passenger rental van with cargo and extra head space, DVD screen, head rests, and comfort extras. We will be driving this properly licensed and insured vehicle throughout our trip.

Stay two nights in Las Vegas. The Carriage House is a highly rated non-gaming apartment-style hotel just one block off the strip. Several great spots to visit from here: Hoover Dam, Lake Mead, and Death Valley National Park (CA).

We'll take scenic routes as we proceed north into Utah. Stay four nights at Cable Mountain Lodge, which sits just outside Zion National Park entrance, with fantastic views and accommodations. We are right next to the wonderful park shuttle system, restaurants, & shops. Lodge rooms are suites equipped with kitchens and living area. Zion is a majestic and beautiful park!

We will visit the uniquely colorful and mesmerizing Bryce Canyon National Park one day. Also, Pipe Spring National Monument and Cedar Breaks National Monument are also nearby destinations to take in.

As we relocate to South Rim Grand Canyon, we will travel through gorgeous vistas, overlooks, see Glen Canyon Dam at beautiful Lake Powell, and Horseshoe Bend at the very east end of Grand Canyon National Park.

Spend four nights inside the Grand Canyon National Park at the Yavapai Lodge. King bed rooms have a sofa and mini fridge. Two-bed Queen rooms are also available. Full hot breakfasts served at the lodge each morning. Park shuttle is available right outside our lodge. Enjoy sitting on benches at overlooks, peruse the Visitor Center, take in park Ranger talks, etc. We'll offer some remarkable sightseeing opportunities in this area, including spectacular drive south through Flagstaff to Sedona, Cottonwood, & Prescott Valley. Numerous National Monument sites are in the area to choose from as well, including Wupatki, Montezuma Castle, Sunset Crater Volcano, Walnut Canyon, Oak Creek Canyon, Meteor Crater, & Tuzigoot. It is up to you how much to take in, or just stay put and relax in the ambiance of a different world.

Final day after 10 nights on the road...morning drive back to Las Vegas and catch afternoon flight home.
